

Congregation Beth Sholom Family Preschool Summer Nature Camp

JULY 17 - AUGUST 11, 2017

Our summer Nature Campers will have an opportunity to participate in teacher directed activities within a mixed age group setting. They will explore and develop an understanding of many materials found in nature. All our activities will allow our campers to connect with nature through their senses to develop their understanding of the eco psychological self – their sense of self in relation to the natural world around them.

“Look deep into nature and then you will understand everything better.” – Albert Einstein

Please use the table below to mark with days/times you’d like to enroll your child in Summer Nature Camp

Check this box if you’d like us to charge your ACH account. Otherwise please submit a check to the preschool office.
